Work Experience

Full Stack Web Developer

Sabai Innovations Pvt. Ltd. | Jaipur, Rajasthan (Sep 2025 - Jul 2026)

- Developed, tested, deployed, hosted, and maintained web applications and websites.
- Developed and customized Shopify stores and themes, including feature enhancements and bug fixing.
- Integrated APIs and handled website deployment, hosting, and ongoing technical support.
- Collaborated with the development team to deliver solutions aligned with business and client requirements.

Projects

BINANCE FUTURES TESTNET TRADING BOT— Python

- Built a modular CLI-based trading bot to place MARKET and LIMIT orders on Binance Futures Testnet using Python.
- Developed automated trade execution logic using Binance Futures API for real-time order execution.
- Successfully tested real-time order execution in a Testnet environment.

WOKL MUSIC STUDIO — React + Tailwind

- Built a responsive multi-page React website using component-based architecture and client-side routing.
- Integrated WhatsApp CTA for direct user engagement, improving conversion touchpoints.
- Managed full GitHub workflow and resolved Vercel deployment issues for continuous live hosting.

SISODIYA HEALTHCARE CLINIC — Appointment Booking Website

- Developed a fully responsive clinic website with an online appointment booking system.

- Built a custom specialties carousel and integrated WhatsApp communication for patient queries.
- Deployed and maintained on GitHub + Vercel with continuous live update workflow.

STUDENT MARKSHEET MANAGEMENT SYSTEM — JavaScript

- Built a dynamic system to manage student records and calculate grades automatically.
- Implemented real-time DOM manipulation with input validation for error-free data entry.
- Designed an interactive UI for efficient and intuitive student data management.

SHOPIFY DEVELOPMENT — Shopify Apps & Themes

- Developed TestiCraft and FreeShip Pro both successfully approved on the Shopify App Store.
- Built a premium Shopify Online Store 2.0 theme RIYAH using AI-assisted development.
- Managed Shopify stores, including product listings, collections, navigation, and theme customization.
